PUERTO VALLARTA RESORT UNVEILS RENOVATIONS

Jul 26, 2007
Travel Agent

The new Buenaventura Grand Hotel & Spa has completed its renovations, which have been underway since November. The hotel, formerly known as Buenaventura Hotel & Beach Club was re-named Buenaventura Grand Hotel & Spa in order to reflect the hotels' top-to-bottom transformation and new "grand" look, the hotelier said. A new web site also has been launched for the hotel. Buenaventura Grand Hotel & Spa offers 238 renovated rooms and suites plus two handicapped accessible rooms, set in the heart of Puerto Vallarta and just a five-minute walk from Puerto Vallarta's Malecon promenade. All rooms have been remodeled, upgrading floors, bathrooms, furniture, amenities, accessories, linen and air conditioning. Renovations also include the addition of the new "Kidz Club." For reservations call 888-859-9439 or e-mail ventas@hotelesbuenaventura.com.mx. Visit www.hotelbuenaventura.com.mx. (JP)
