#### New Hotel Arrivals: March 2008

March 06, 2008

By Alex Palmer

• **Four Seasons Resort Bora Bora** has begun accepting reservations for its exotic over-water bungalows and beachfront villas with private pools. Guests will be able to snorkel in the crystal-blue lagoon or enjoy evening fire dances under the expansive, starry skies

• The Beatles-themed **Hard Days Night Hotel** opened in Liverpool last month. With the stated aim of being classy, not kitsch, the hotel includes both a Lennon and a McCartney suite, a basement bar dedicated to The Beatles' Maharishi-following days, and offers Magical Mystery bus tours

• Puerto Vallarta-based **Buenaventura Grand Hotel & Spa** recently announced the completion of a \$9-million renovation to its property, offering a fresh new look, with 216 deluxe rooms, 14 honeymoon suites and four junior suites. All rooms include contemporary Mexican décor, balconies with ocean views, flat-screen televisions and 24-hour room service.
